

Motorola MC75

BUSINESS HAPPENS IN THE FAST LANE. MAKE IT EASIER TO SWITCH GEARS.

The all-new multi-mode, multi-function MC75 mobile computer is designed to help keep your business moving – no matter how hectic things get. A handheld computer with 3/3.5G connectivity, phone, walkie-talkie, GPS navigation system, 1D or 2D bar code scanner and 2 mega pixel auto-focus color camera all in one, the versatile MC75 allows you to shift gears instantly and effortlessly – in virtually any working condition. Offering simultaneous voice and data, advanced data and image capture and great processing power with true global connectivity, it's the secret to accelerating your company's productivity. And it's just another way Motorola puts Enterprise Mobility in the palm of your hand. **HELLOMOTO™**
